

**MAJOR STREET  
PROJECT IN THE  
VILLAGE TO  
BEGIN SOON**

\*\*\*\*\*

At a recent preconstruction meeting this past week, that included representatives from MDOT (Michigan Department of Transportation), the Calhoun County Road Commission, and the Village of Tekonsha, it was revealed that the Elm Street loop project will commence May 6.

The project will include the following; all of Railroad St. from Main St to Elm, all of Elm street from Railroad to Clinton, and all of Clinton, from Elm to Main. The work will begin at the north end of the village with the Railroad Street portion. Sections of the project will be closed to through traffic as needed.

As with all projects, of this type, weather can cause some delays. Nonetheless, MDOT has projected July 12 as the final completion date.
